

# Participating Member Confirmation

I have attended "Live Oak 101" and understand the vision, values, mission and strategy of Live Oak. I have also been made aware that Live Oak is governed by bylaws and agree to abide by them. I am not currently under or avoiding church discipline from another church. I also affirm that I have personally received Christ as my Forgiver and Leader and, as God enables me, desire to whole-heartedly live by GRACE, serving with my gifts, living a life of reverence, abiding in Christ, living in community, and engaging in evangelism. I now desire to be confirmed as a participating member. I also authorize the church to store and use the information I've provided below.
